Torys named 2025 Canadian Law Firm of the Year in Securities Law by *Best Lawyers*

We are pleased to share that Torys has been recognized in the inaugural edition of *Best Lawyers'* Best Law Firms–Canada publication as Law Firm of the Year for our exceptional work in Securities Law.

Awarded to only one Canadian law firm annually, this prestigious distinction is a testament to Torys' one-firm approach to domestic and cross-border offerings of equity, debt, asset-backed and other securities. This recognition also highlights the deep legal acumen of Torys' [Capital Markets](#) team on all aspects of securities regulatory, registration, enforcement and compliance matters.

Additionally, Torys was ranked Tier 1 on a national level in the following seven practice areas:

- Corporate and Commercial Litigation
- Energy Law
- Environmental Law
- Mergers and Acquisitions Law
- Real Estate Law
- Securities Law
- Tax Law

In addition to these national rankings, we also received Tier 1 rankings on a provincial level for 49 practice areas across our Toronto, Calgary, and Montreal offices.

The Best Law Firms–Canada rankings are based on a rigorous evaluation process that includes the collection of client and professional reference assessments, peer review from leading lawyers, industry leader interviews and review of additional firm highlights provided by law firms as part of the formal research cycle.
