

Peloton Capital invests in P3 Veterinary Partners

Torlys acted as counsel to Peloton Capital with a team that included Richard Willoughby, Danielle Traub and Sarah Strong (corporate/M&A).

On January 10, 2020, Peloton Capital Management (PCM) announced that it made a significant investment in P3 Veterinary Partners (P3), one of Canada's largest networks of veterinary practices. Capital provided by PCM will support P3's expansion across Canada to complement its existing network of practices in British Columbia, Alberta and Ontario and to further strengthen its back office, marketing, and operational capabilities for its practice partners.

Terms of the transaction were not disclosed.

Further information can be found on Peloton Capital's [website](#).

[P3](#) is a Canadian veterinary practice group whose mission is to empower veterinary teams to live their passion and focus on unparalleled care for pets and the people who love them. Through its group of hospitals, P3 strives to be the best place to work in veterinary health care.

[Peloton Capital Management](#) is a private equity firm that utilizes a long-term investment philosophy and sector-focused strategy to partner with founders and management teams to help build exceptional businesses and create attractive returns for our investors. Peloton focuses on North American businesses in the Healthcare Services, Financial Services and Consumer Products & Services sectors.
