

# Ribbon AI raising US\$8.2 million

---

Torys acted as counsel to Radical Ventures with a team that included Konata Lake, Mohammed Muraj and Nushrah Amod (corporate/financing).

On March 31, 2025, Ribbon AI Inc. (“Ribbon AI”) announced that it raised US\$8.2 million in new funding from Radical Ventures, with participation from Social Leverage, Cadenza Ventures, and GD1.

Ribbon is the first AI-powered hiring platform designed to streamline the hiring process while keeping it fair, efficient, and, most importantly, human. Its AI-native platform conducts screening interviews for enterprises, helping employers quickly identify top talent while ensuring a candidate-first experience.

Further information can be found on Ribbon AI’s [website](#) and [privatecapitaljournal.com](#).

Led by founders Arsham Ghahramani and Dave Vu, [Ribbon AI](#) is a Toronto based developer of an AI-powered interviewer that works round-the-clock to screen and evaluate candidates, helping hiring teams quickly identify top talent.

[Radical Ventures](#) is a venture capital firm investing in entrepreneurs applying deep technology to transform massive industries.
