# Navigating Uncertainty: The Canadian Election's Impact on Carbon Markets

---

## SPEAKERS

**Tyson Dyck**

Partner Tyson Dyck will speak at the ClearBlue Markets webinar “Navigating Uncertainty: The Canadian Election’s Impact on Carbon Markets” taking place on April 9 at 1:00 p.m. The webinar will examine how uncertainties in carbon pricing policies may impact compliance and market dynamics at the federal level. The session aims to enhance understanding of the changing risks and opportunities within a rapidly evolving policy landscape.
