Clean Power Finance Canada–CanREA Summit

CIBC Square

81 Bay Street, 6th Floor
Toronto, ON, M5J 0E7

SPEAKERS

T. Ryan Lax

Counsel [Ryan Lax](#) will speak at the Clean Power Finance Canada–CanREA Summit on June 25 in Toronto. The summit brings together key figures in Canada’s clean energy and finance sectors to explore various clean technologies such as wind, solar, energy storage, and green hydrogen, along with financing options and tax incentives.

Ryan will speak on the panel “Global trends, local impacts: How will international trade and energy policies affect Canada’s clean energy markets?” at 9:30 a.m. The panel will examine how changes in global energy trade, including U.S. economic and trade policies, may affect Canada’s electricity demand and exports, investor confidence, supply chains, and the capacity to finalize deals.

To learn more about the summit visit the [Canadian Renewable Energy Association website](#).
