## Overview

---

Parker's practice focuses on pension and employment law. Parker regularly advises on employment, executive compensation and labour matters, including in connection with corporate and commercial transactions and related disclosure and compliance obligations. He also has experience advising clients on pension investments, the treatment of pensions and benefits in mergers and acquisitions, the interpretation and application of pension legislation and related compliance matters.

In addition, Parker has experience advising on corporate and securities law and has been involved in a wide range of M&A transactions, private placements and public equity and debt offerings (including initial public offerings).

## Featured Work

---

Canadian Western Bank in its C\$5.3 billion sale to National Bank of Canada, one of the six largest banks in Canada

Fairfax Financial in its C\$1.7 billion acquisition of all issued and outstanding shares of Sleep Country Canada Holdings Inc., a leading Canadian specialty sleep retailer
