Overview

Stefan assists clients in complex commercial litigation across various areas and industries.

A particular focus of Stefan's practice is tort law and product liability litigation. Stefan represents clients in individual actions, "mass tort" claims and class actions involving all manner of allegations. Stefan has broad cross-jurisdictional experience, defending claims in multiple provinces across Canada. Stefan also acts for clients in commercial contract disputes across different industries. In addition to litigating breach of contract claims, Stefan advises clients on questions of contractual interpretation and enforcement.

The remainder of Stefan's practice allows him to adapt to client needs. Stefan has experience in intellectual property matters, he has acted in judicial review and administrative matters, and he has experience in complex commercial arbitration and other commercial disputes. Stefan has appeared as counsel before the Ontario Superior Court of Justice, the Supreme Court of British Columbia, the Federal Court and the Federal Court of Appeal.

Featured Work

Alamos Gold in its arbitral claim brought by its Netherlands subsidiaries against the Republic of Türkiye, under the Netherlands-Türkiye Bilateral Investment Treaty (BIT), alleging expropriation and unfair and inequitable treatment in connection with the development of its Türkiye project – the Kirazli, Ağı Dağı and Çamyurt gold mines in Çanakkale Province, Türkiye

an international pharmaceutical company in multiple product liability class actions—including proposed actions in British Columbia, Alberta, Saskatchewan, Manitoba, New Brunswick, Nova Scotia and Newfoundland and three class actions at trial in Québec and Ontario—concerning two prescription combined oral contraceptives

a global medical device company in proposed product liability class actions in Ontario, Saskatchewan and Québec, as well as individual plaintiff actions in Ontario, Alberta and British Columbia, alleging negligent misrepresentation, failure to warn and design defect in relation to certain products used to support damaged tissue

Infinito Gold in its ICSID arbitral claim against the Republic of Costa Rica, under the Canada-Costa Rica Bilateral Investment Treaty (BIT), concerning the expropriation of the Crucitas gold mining project

[EDP Renewables in an appeal of its Renewable Energy Approval \(REA\) for the 100 MW Nation Rise Wind Farm in the Township of North Stormont, Ontario, including its successful application for judicial review before the Ontario Divisional Court of a decision by the Minister of the Environment, Conservation and Parks on procedural grounds](#)

Professional Involvement

During law school, Stefan competed in the Harold G. Fox Intellectual Property Moot, where he was named best oral advocate. Stefan's team won the Fox Cup, which is awarded to the best mooted team, and won the award for best factum. Stefan subsequently competed in the Oxford International Intellectual Property Moot, where his team placed second.

While in law school, Stefan volunteered with Pro Bono Students Canada assisting self-represented litigants. He was also a member of the University of Toronto Faculty of Law's Moot Court Committee, which runs the Faculty's student mooted program.

Stefan volunteers at the Pro Bono Hotline, providing summary legal advice to low-income individuals.

Stefan is a member of the Ontario Bar Association, where he sits on the Civil Litigation and Administrative Law Section Executives. He is also a member of the Advocates' Society.
