

3esi-Enersight acquires Aclaro Softworks

Torys acted as Canadian counsel to 3esi-Enersight with a team that included Neville Jugnauth, David Kolesar and Leah Dickie (corporate/M&A), Ed Fan and Sue Fei (IP).

On December 5, 2017, 3esi-Enersight announced that it acquired Aclaro Softworks Inc. (Aclaro), creators of the powerful corporate reserves system – petroLook™.

petroLook™ is a web-based, scalable and fully configurable Corporate Reserves Management System featuring direct data integration, ad-hoc reporting, and a robust security model.

[3esi-Enersight](#) is the E&P industry's leading provider of solutions for integrated strategy, planning and reserves.
