

# Technetix Group acquires Lindsay Broadband

---

Torys acted as counsel to Lindsay Broadband with a team that included Konata Lake, Mohammed Muraj, Parker Baglole and Sebastian Gorlewski (corporate/M&A), Tom Stevenson (employment), Ed Fan (IP) and Craig Maurice (tax).

On September 6, 2022, Technetix Group Ltd. ("Technetix") announced the completion of its purchase of Lindsay Broadband Inc. ("Lindsay Broadband"). Terms of the transaction were not disclosed.

The acquisition will enable significant growth and market traction for Technetix, expanding its footprint in the Americas and offering customers a broader range of solutions for HFC, fiber and mobile networks.

Further information can be found on Lindsay Broadband's [website](#).

[Lindsay Broadband](#) offers technologically advanced end-to-end solutions for RF, optical, powering, and business connectivity. Its solutions include 1.2/1.8 GHz HFC network rebuilds, FTTx, end-to-end RFoG, rural broadband connectivity, customer premise equipment, MDUs, in-home networking, network standby and non-standby powering, LiFePO4 backup power solutions (AC power generators, batteries, trailers, solar solutions), NIU/CPE UPS systems, small cell connectivity and powering, PoE, Wi-Fi, IoT, PTP/PTMP, security cameras, digital signage, and many other revenue generating solutions.

[Technetix](#) is a market leading technology company enhancing broadband cable network performance worldwide with its cutting-edge solutions, including Distributed Gain Architecture, the DBT Gamechanger, the DBx Open Access Platform, Virtual Segmentation, Remote Optical Line Terminal (rOLT) and XGT taps.
